

CRITICAL INFORMATION SUMMARY

MEDIUM BUNDLE

INFORMATION ABOUT THE SERVICE

Our Medium Bundle offers a combination of:

- Fast Broadband with 500GB usage allowance;
- Home Phone with unlimited local, national and mobile calls; and
- Enhanced Monitoring, with unlimited usage.

Where is this plan available?

- The Medium Bundle package is available at a growing number of Aveo communities across Australia. Visit our website at www.AveoConnect.com.au for an up to date list.

What is the minimum contract period?

Minimum Contract Period	12 or 24 months
Cancel Fee	If you cancel early, you pay a cancel fee equal to the total monthly recurring charges for the remaining term of the Minimum Contract Period. If you are leaving the Village, you can cancel and no cancel fee applies. If your estate cancels, it can do so and no cancel fees apply.

What is Fast Broadband 100GB?

- 500GB means you can download up to 500 gigabytes (GB) of data each billing period where 1GB = 1,000 megabytes (MB). Any unused data allowance will expire at the end of each billing period.
- If you exceed your monthly data allowance your broadband speed will slow to 256kbps until the next month.
- Fast Broadband uses a combination of the latest technologies for high speed internet, up to 20Mbps download and 10Mbps upload speeds. We cannot promise actual speeds, because things happen in networks (they get congested like roads, and poor cabling can act like

speed bumps), but our techies will give you the fastest speed we can.

What is Home Phone with unlimited calls to these destinations?

- This plan includes unlimited calls to:
 - any standard landline in Australia; and
 - any standard mobile phone in Australia.
- You will not be charged any more for these calls. And there is no extra line rental.
- Home Phone comes with a host of great features as standard. To make it easy.
- You can bring your old telephone number*, no problem, or we give you a new one.
- You can use your old handset, no problem, or we can help you select one to buy.
- You can add special features for free, like Call Waiting and Speed Dialling. Just refer to our User Guide.

*Excludes sites with a telephone numbering plan. Check with your village manager if a range of numbers are pre-allocated across your site.

What is Unlimited Enhanced Monitoring?

- Enhanced Monitoring is a personal emergency response monitoring service. You will be provided with a pendant and a Wellness Hub device. We will train you on how, in an emergency, to get help.
- The Enhanced Monitoring Service is manned 24 hours a day, 7 days a week.
- The Wellness Hub has battery backup and works over both the Home Phone line and over Telstra's mobile network. If one fails, the other will work. Just a bit of extra piece of mind. These are upgrades to your current service.
- We also offer Pill Reminder Service, Daily Wellness Check Calls, Inactivity Monitoring and Smoke Alarm Monitoring. Additional charges apply. See www.aveoconnect.com.au for details.
