INFORMATION ABOUT THE SERVICE

Minimum Contract Period	12 or 24 months
Cancel Fee	If you cancel early, you pay a cancel fee equal to the total monthly recurring charges for the remaining term of the Minimum Contract Period. If you are leaving the Village, you can cancel and no cancel fee applies. If your estate cancels, it can do so and no cancel fees apply.

What is Unlimited Fast Broadband?

- “Unlimited” means you can download as much as you like at no extra charge. Upload too, for that matter. Go for it, we don’t mind, we built this network to fly!
- Superfast Broadband uses a combination of the latest technologies for high speed internet, up to 100Mbps download and 50Mbps upload speeds. We cannot promise actual speeds, because things happen in networks (they get congested like roads, and poor cabling can act like speed bumps), but our techies will give you the fastest speed we can.

What is Home Phone with unlimited calls to these destinations?

- This plan includes unlimited calls to:
 - any standard landline in Australia,
 - any standard mobile phone in Australia; and
 - any landline in our “top 35” international destinations. - You will not be charged any more for these calls. And there is no extra line rental.
- Home Phone comes with a host of great features as standard. To make it easy.
- You can bring your old telephone number*, no problem, or we give you a new one.
- You can use your old handset, no problem, or we can help you select one to buy.
- You can add special features for free, like Call Waiting and Speed Dialling. Just refer to our User Guide.
