Where is this plan available?

- Our XS Bundle is available at limited locations. Initially only Aveo Newcastle. Visit our website at www.AveoConnect.com.au for an up to date list.
- Check whether the XS plan monthly subscription at your village is billed in the General Services Charge. At Aveo Newcastle, the XS plan monthly subscription is billed in the General Services Charge. Call charges and other charges are billed to you directly.

What is the minimum contract period?

Minimum Contract Period	12 months
Cancel Fee	If you cancel early, you pay a cancel fee equal to the total monthly recurring charges for the remaining term of the Minimum Contract Period. If you are leaving the Village, you can cancel and no cancel fee applies. If your estate cancels, it can do so and no cancel fees apply.

What is Broadband?

- Broadband uses a combination of the latest technologies for high speed internet. The choice of technology and of network service provider is at our discretion.

- Broadband is up to 12/1 Mbps, download and upload speeds respectively.
- We cannot promise actual speeds, because things happen in networks (they get congested like roads, and poor cabling can act like speed bumps), but our techies will give you the fastest speed we can.

What is Home Phone with included line rental?

- You will not be charged extra for line rental.
- You can bring your old telephone number*, no problem, or we give you a new one.
- You can use your old handset, no problem, or we can help you select one to buy.
- You can add special features for free, like Call Waiting and Speed Dialling. Just refer to our User Guide.

*Excludes sites with a telephone numbering plan. Check with your village manager if a range of numbers are pre-allocated across your site.

Inclusions

- Connecting your residence to the network is included.
- A WiFi Home Gateway is included, and we set it up.

Exclusions

- The only way we can give you this great value deal is if you keep both broadband and home phone with us. You cannot cancel an individual service.
